

A modern office interior with a large glass-walled meeting room on the left, a white reception desk in the foreground, and a wall with the Delta Design logo. The ceiling features a series of parallel wooden slats, and the right wall is composed of vertical wooden slats with integrated lighting. A large, semi-transparent purple graphic element is overlaid on the left side of the image.

QUALITY POLICY

ISO 9001:2015

IN ORDER TO IMPLEMENT THIS POLICY THE FOLLOWING QUALITY OBJECTIVES IN LINE WITH THIS POLICY HAVE BEEN ESTABLISHED, COMMUNICATED, UNDERSTOOD AND IMPLEMENTED AT ALL LEVELS THROUGHOUT THE COMPANY:

- Timely delivery of services and products to meet our customer's confidence in our performance, budget and quality expectation.
- Continuous improvement of our processes and systems.
- Ensuring that our employees are properly trained and experienced so that they may better serve our customers .
- A professional attitude and approach by both the management and staff to become the leading specialist contractor operating within the UAE.

ENVIRONMENTAL

POLICY ISO 14001:2015

DELTADESIGN WILL STRIVE TO:

- Conserve natural resources and support their sustainable use
- Conduct affairs in a manner that safeguards the environmental health and safety of our staff and communities
- Reduce the use of toxic substances and the generation of wastes and to promote strategies to reuse and recycle those wastes that cannot be avoided
- Purchase renewable, reusable, recyclable and recycled materials
- Foster an understanding of and a responsibility for the physical environment
- Guide action for ensuring safety and minimizing adverse environmental impacts in the implementation of this policy.
- Conduct our business practices in accordance with this policy.

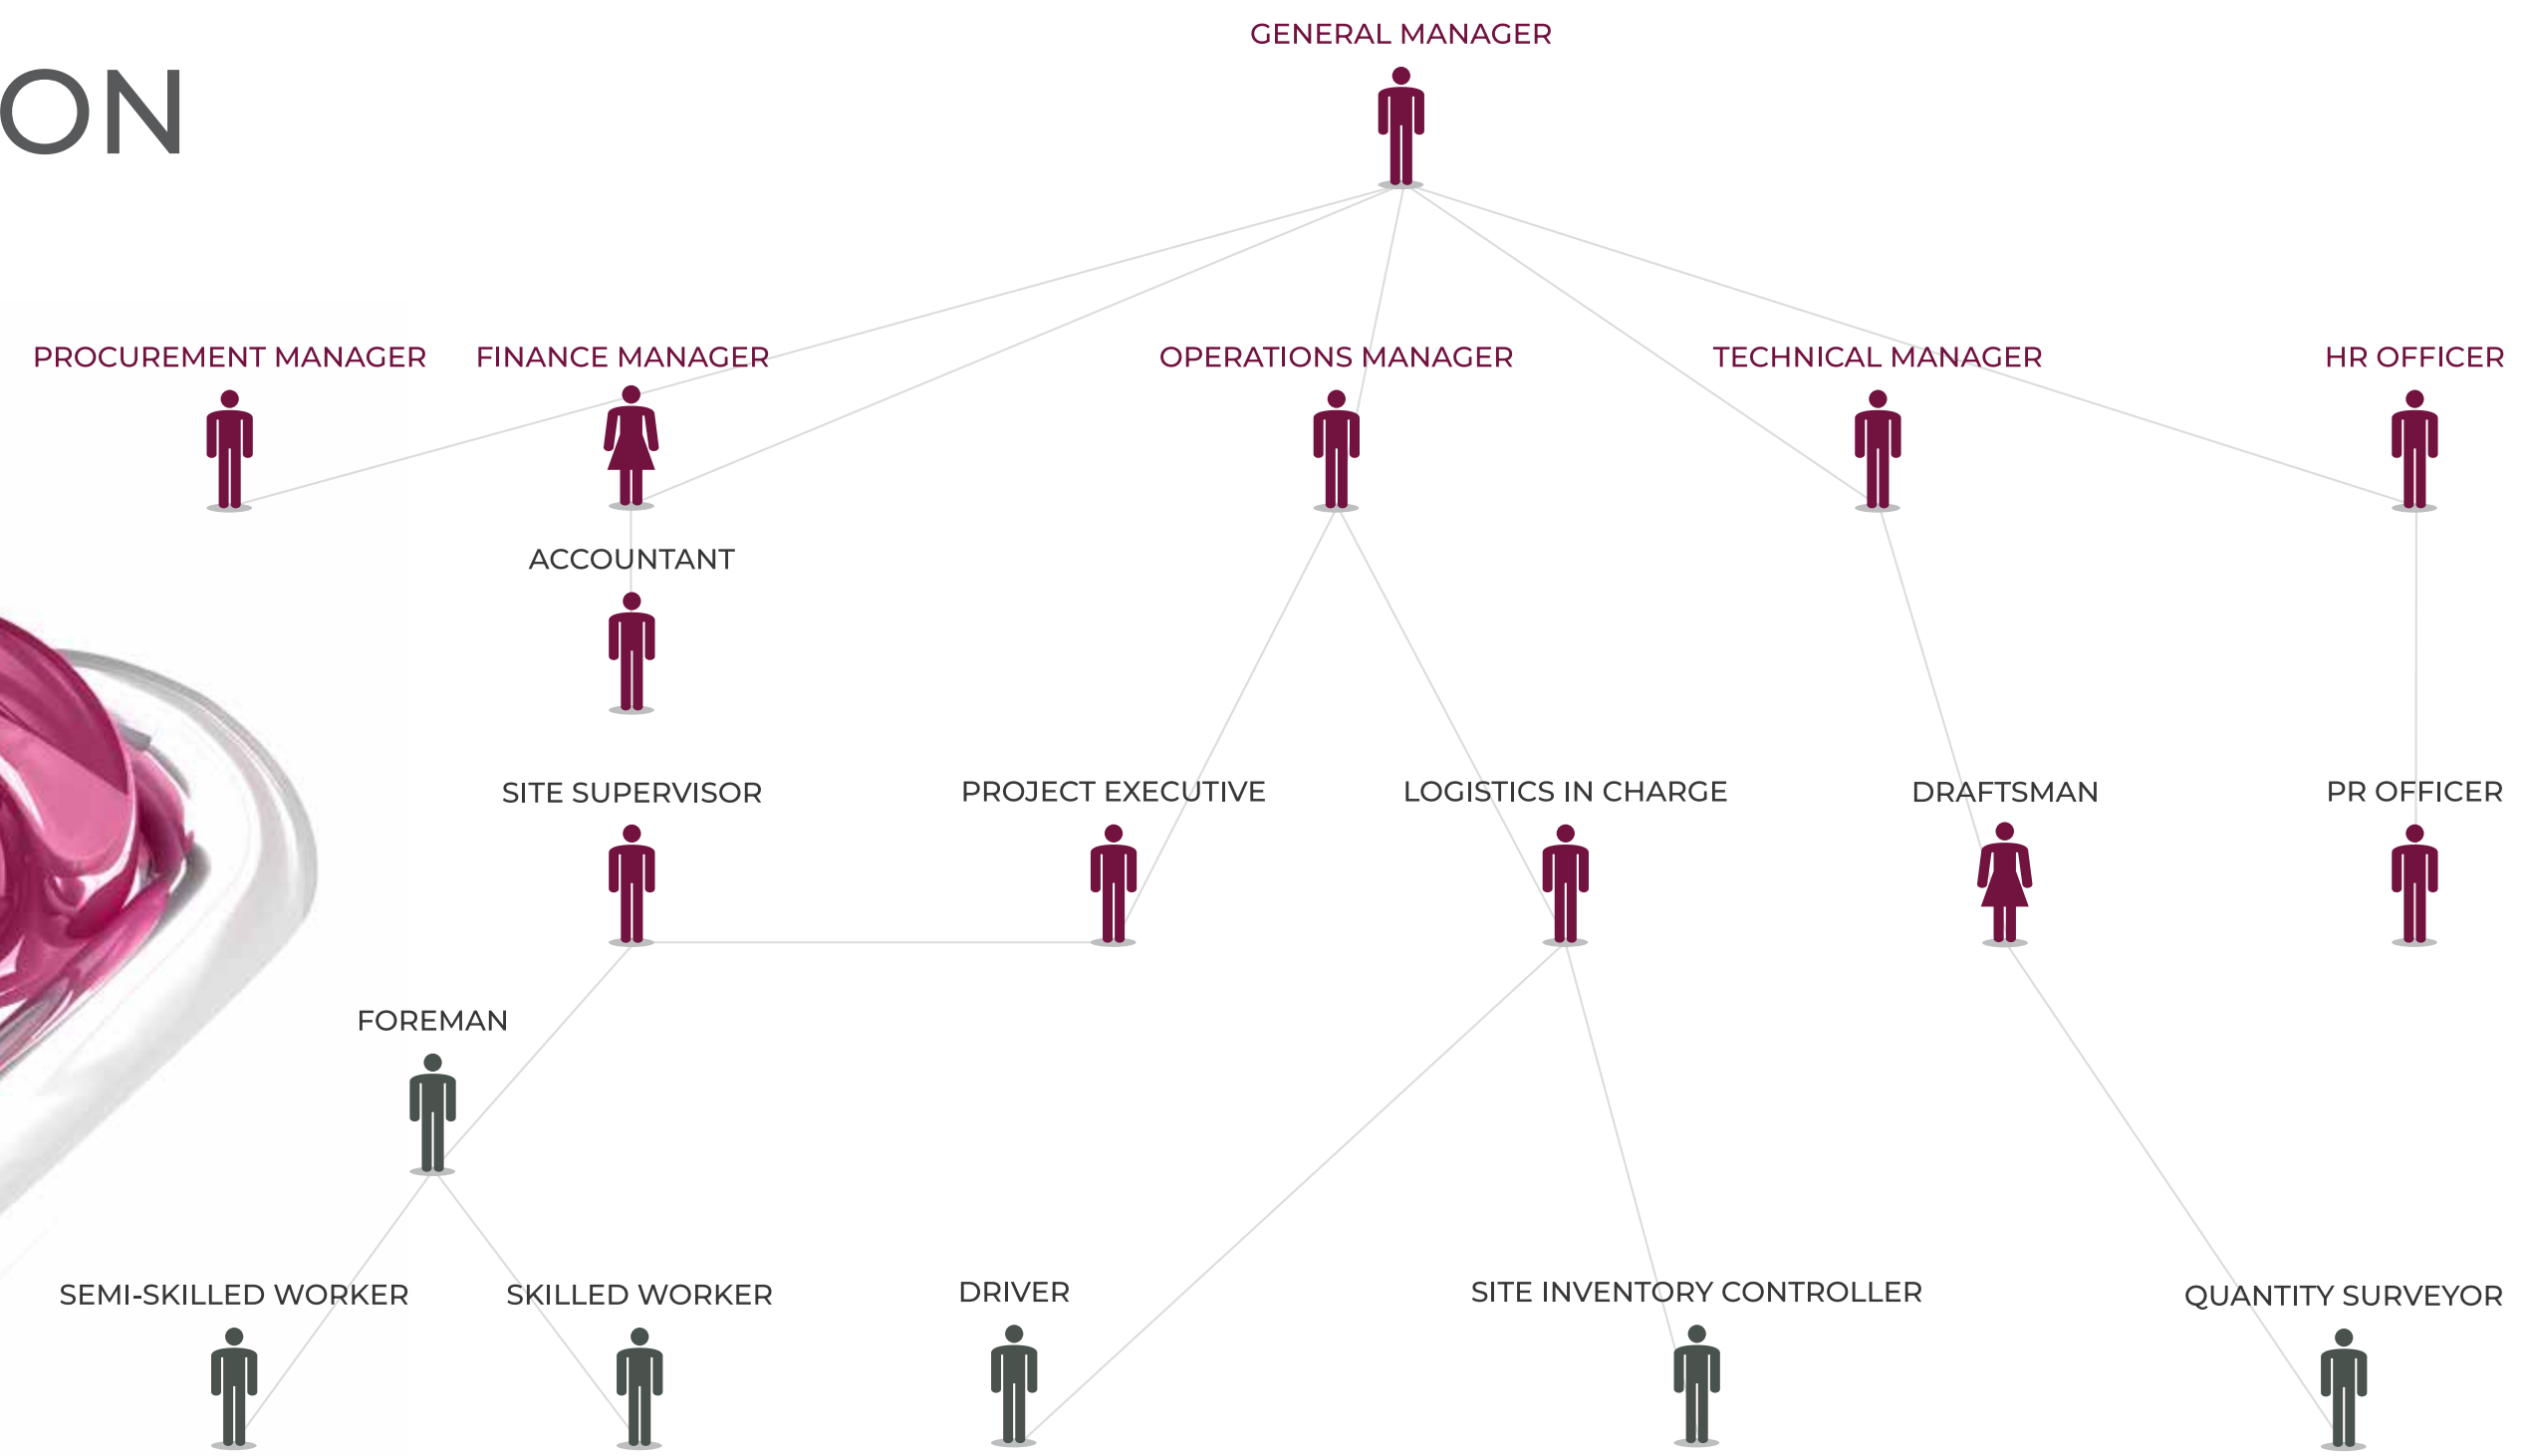

HEALTH & SAFETY

OHSAS 45001:2018

DELTADESIGN DÉCOR HAS THE FOLLOWING MAIN OBJECTIVES:

- To ensure the health, safety and welfare of all its employees while at work.
- To consult with employees and ensure all who work on our behalf are aware of identified risks and receive the relevant training and supervision.
- To maintain work equipment in a safe state and provide both safe systems of work and a safe working environment for employees.
- To maintain procedures for ensuring safe use, handling, storage and transport of material to and from work sites;
- To review and if necessary, revise the above health and safety objectives annually.
